

In It For Life

What does it mean to be a growing follower of Jesus Christ? Finding the answer, of course, is a lifelong process. The more we are filled with knowledge of the Word, the more we can overflow. Join Rev. Fred in this exciting new journey of knowing God and growing as a disciple of Jesus Christ. Built on a strong scriptural foundation, In it for Life is a teaching tool that can be used by pastors and small group leaders alike to take seekers, believers, and followers through the discipleship process from beginning to end. Wherever you may find yourself along this journey now, by the time you finish this book, you too will be In it for Life! Let not the wise man boast of his wisdom; or the strong man boast of his strength; Or the rich man boast of his riches; but let him who boasts boast about this: that he understands and knows me. --Jeremiah 9:23
