

Beyond The Trumpet Sound: a choice of two destinations awaits

An exciting novel of the end times using fictitious characters to unfold scriptural prophecies up to the Reign of Christ on earth. Beginning with the day of the Rapture, you are taken through the unrestrained advances of the world towards World Government, the rise of the Antichrist and the False Prophet and its consequences for all mankind as the foretold Plagues are executed. Beyond The Trumpet Sound is an excellent read and will give real insight into the truth of what is to come.
