

Start A Business

This is a book for the military entrepreneur. Its a guide for any individual with a desire to demonstrate leadership by becoming their own boss and starting a business for themselves. Excerpt: The first thing you should do when searching for financing is ask family/friends who are willing to invest in your business and give/loan you the money; second-check your own TSP. If you have a sizable amount invested you can easily loan yourself the money and repay in as little as 2.13% which allows you to set the terms for length of repayment. Tweet @ pertrinasugar
