

## Acts: The Good News of the Holy Spirit (Six Weeks with the Bible for Catholic Teens)

This Bible study for teens, Acts: The Good News of the Holy Spirit, is an excellent way to introduce young adults to how the Church began. Like the early Jewish followers of Jesus, the Spirit leads us also into drama and conflict. God challenges us to change. He challenges us to move beyond a simplistic childhood understanding of him and develop a mature adult faith. He wishes us to serve him in new ways, and summons us to go beyond our limited expectations of how much we might love, how selflessly we might serve, what suffering we might endure. He wishes us to experience his powerful help as we grow up. He wishes to work through us to make Jesus known. He wishes us to have an influence on the people around us. In all these respects, reading Acts leads us to question our lives and open our hearts to a new cooperation with the Spirit of God. Designed as a guided discovery, Six Weeks with the Bible for Catholic Teens introduces high school students to different books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today. The series provides students with a clear explanation of Biblical text, opportunities for prayer, and a means to enter into conversation with God.
