

Fruitful Living in Winter: Fruitful Living Series Book # 2

Winter is a time of purification. Motives are tested and tried. Winter is cold, harsh and indifferent. Were all going to have winters. Your level of faith or your personal commitment cannot prevent it or get around it. Its just a reality of life. This book is a journal of emails that were written during a time when we were forced to encourage the family and encourage ourselves, in spite of how we were feeling.

As you read this email journal, please know that God has a life-lesson for you within these pages and plan to accomplish the promise that He gave you. Just remain open to Him.
