

The Beast That Was, And Is Not, And Yet Is

This book is my translation of the Bible's prophecy as well as how it ties into today's events. It breaks down a couple of books within the Bible. You don't have to be a priest or a pastor or attend a Bible school to have a better understanding of the word of God. You can read this book and follow along with your Bible. All you need is time and a clear mind. Follow along, read, and prepare for what's coming in the future.
