

The Curse of Fear (Breaking the Curse Series)

Is your life cursed or blessed right now? Which one sounds more like your experiences? Blessed or cursed? Most people have a combination until they learn about curses and break them. A curse is basically the legal right for demons to afflict you or cause you harm or loss in a particular area. A generational curse is a legal right for demons to afflict you based on evil done (sins) by your forefathers that they never repented of, that you then opened the door to. You are not guilty of their sin, but the tendency to sins they didnt repent for may fall on you, until/unless you are a believer of Jesus Christ who has the knowledge to break the curses off your life.
