

The Life Of Kurt B. Bakley

In this book you will read my life story and how I came to write these 7-8 books. It will show you how I was led into the great deception of ancient astronauts and the knowledge of how the antichrist would deceive the world. The theory of the ancient astronauts is what the Bible called MYSTERY BABYLON THE GREAT MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. These great mysteries show how people would be deceived into thinking UFOs and their occupants were good and from God and to be listen to closely when they return in these last days. When they return they will have books that explains all things including their UFO propulsion and of all the deepest darkest secrets of the Universe. I repented two times, one when I fell for the great deception of the UFO landing, and out of it would come the two people connected to the ancient astronaut theory. And the other deception was when those two people come they will reveal books that explains everything in detail. After those two deceptions God showed me just how they were predicted in the Bible. This book was written by June 12, 2011.
