

The Greatest Fight in the World: The Final Manifesto

This sparkling and startling address is perhaps the most rousing call to gospel arms you will ever encounter. If you can read it without being profoundly stirred, I strongly suggest you seek urgent spiritual help. - Jonathan Stephen, Principal, Wales Evangelical School of Theology, Bridgend, Wales Spurgeon gave The Greatest Fight in the World almost as a last word to impart to his followers in the faith his belief in the armoury of the Scripture, the armour of the church, and the strength that God gives us to fight. Be encouraged and empowered to take up your sword and join the fray of the Christian life. This powerful advice to Christians is a battle charge for living the faithful life whether in Spurgeons day or in ours.
