

This is a great book that will impact into you that necessary understanding you need to capture for understanding your assignment on earth. It reveals all there is to know about purpose and dominion as God has originally planned. This book helps you to understand your unique role in the dominion mandate for all mankind, and it unveils the truth that we all can dominate at the same time, in our different purposes and divine assignments. In this book you would learn about: • The three basic dimensions of God's purpose. • Your unique role in the overall success of God's universal and general purposes. • How best to express your dominion mandate. • Where God demands your dominion. • How to express the glory of God through the pursuit of your divine assignment and lots more. Every young person who desires to become relevant and impactful in his or her generation would find this brain-child and subsequent series a useful tool to live by.

Biogeography: An ecological and evolutionary approach, Abiding: 30 Steps Closer, Morning by Morning: The Devotions of Charles Spurgeon, Prototype Development for Treatment of Industrial Effluent, Madam President, Trust Me Once,
