

The Spacious Place

Even for Christians, knowing, feeling and living the promises of God can be challenging. We continue to struggle with sin or anxiety. We are slaves to sin and emotion. We feel judged and judge others. We feel abandoned and believe lies. We stagnate in our growth. In this eight week Bible study, a variety of Bible character studies will model how we can receive the freedom, peace, acceptance, protection, truth and transformation that God freely offers. As David points out in Psalm 31:8, God can save you from your enemies and set your feet in a spacious place. This metaphor paints a beautiful picture of a life that takes full advantage of all Gods promises.
