

The Stranger

High above on a pristine mountain, a beautiful young woman sits, waiting for that one particular moment when the first brilliant rays of sunlight peek over the horizon. The scene is simply breath taking. The gorgeous sunrise, combined with the valley below, make for a peaceful and serene setting. But looks can be deceiving. The valley below has many secrets. Some twenty years earlier the owners had to deal with some tragic events. Now the land is under the control of an unknown landlord. The inhabitants have to pay rent for the privilege to live there, sharing the profits with a mysterious owner. Yet the new generation seemed to have adjusted to those conditions. The friendly people go about their daily lives, and there is no stranger among them. That is before a tall, handsome guest arrives on a beautiful black steed. At first, nobody knows who this mysterious man could possibly be. However, before long he has made his mark on the community. It is Beverly Thomas who has caught his eye. Once the mystery riders name is revealed, it brings back a flood of old memories for the people of the valley. Samuel Weatherby has a secret too, and before long Beverly is caught in his web. It seems the mountain also has a secret, but she is only willing to share those jewels if the right person comes along. Just what is the prize? The answer can only be found in the love of a stranger.
