

The Crossing Ward

The Fourth Floor of the Mercy Regional Hospital is known as the Crossing Ward. It's a place where people go to die, but what if terminally ill patients are dying faster than expected in a startling trend? What if some of the patients are having visitations—is it an angel of death or the presence of the Lord himself? Brody Cademan, a former pastor, has found himself in the middle of a murder mystery, and he is thrust into a ministry for those who are dying but he struggles to give them hope when he no longer believes in heaven and eternity. Tragedy and grief have destroyed his faith. But a new relationship, and a new focus, could re-ignite his belief in a God who really cares.
