

My Affair with God, His Affair with Devotion.: Weekly devotions to put the spark back into your affair with God! Be ready for the devotion of a lifetime!

Frances S. Clarke believes a strong Christian is primarily born from a balanced daily diet of deep devotion. Saved as a teenager simply by a strong impression of the Holy Spirit to commit her life fully to God, she has a hunger and thirst for righteousness. She avidly studies scripture to know, obey and pass on Gods word. With a unique anointing for straight talk often lacking in some Christian ministries her goal is to help those she interacts with to take hold of practical Christian living standards and strategies. She has an intense passion for young adults and women and is highly family, business and career oriented. These devotions are a sneak peak at her life experiences and lessons learned. Her greatest joy is helping partners to strike a healthy work/life/faith balance and generate income in innovative ways to afford these partners financial stability. Having been a Christian for over thirty years, Frances S. Clarke is a devotion diva with vast practical Christian living experience! As a skilled Motivational & Life Skills Speaker, Business Concept Specialist she strives for excellence in all spheres of life and her secret weapon has been devotion and she shares it with you! Over the years, she has evolved into a natural born leader with proven skills to impact individuals, families, workplaces, communities and nations especially in building and motivating formidable teams to propagate Gods standard for living based on biblical principles, not her own idea! Being well travelled and multi-lingual has given her an edge on the importance of socio-cultural sensitivity in evangelism as Jesus clearly exemplified. In each country she has lived and worked Frances has been actively involved in and volunteered in her local church and community with the express goal to fulfill the great commission to make disciples of all men and to turn the world upside down, Gods way! Frances holds a B.A degree in Languages and an

M.A in French Studies and International Development. Blessed with the gift of faith, she also has a unique gift for administration described in 1 Corinthians 12:27-30 (English Standard Version). She often volunteers to help Faith Based Organizations (FBOs) to better structure their ministry and to also function in a competitively sustainable way in their program design, implementation, research, monitoring and evaluation to successfully bid for and win government grants for community development and other ventures. Be ready for the devotion of a lifetime resulting in a Daily Divine Date with God Almighty! God bless you along lifes journey. May this book contribute greatly to that. Frances S. Clarke
