

To the Ends of the Earth: Growing the Global Church

How far can the gospel spread in the face of social injustice? When the Holy Spirit works, obstacles become opportunities, and the Good News reaches far beyond any earthly barrier to the ends of the earth. These Christians discovered just that in their miraculous journeys with God. Though each story is radically different, each demonstrates God's relentless love for the lost. In these unforgettable testimonies, you will glimpse how God grows His church through those who live out His Great Commission.
