

Towardations: 31 Days of Mind - Faith Connection

Do you truly want to be all that God has called you to be? Have you tried to change, only to come up short? If your answer is yes, then perhaps it is because there is a disconnect between your faith, your conscious mind and your subconscious mind. In this book, Dr. Keith Brown introduces you to his original formula for long-lasting, successful change. It is the Towardations method. Using this proven technique will lift your spirits, connect you more closely with God's will for your life, and will link your Godly faith with both levels of your mind. The daily devotions will inspire you. This method will empower you, and before long, the daily use of these Towardations will help you become all that God has called you to be.
