

## All the Books of the Bible: Amos: Volume Thirty

All the Books of the Bible was written because people are not reading their entire bibles. Most commentaries today are written for profit or have denominational bias. The others that people trust are over 150 to 300 years old and may be hard to comprehend for the average student of the Bible. This commentary on Amos is designed to be a companion to help you understand what you are reading and hopefully will help your Bible to come alive in a way that may have never happened before.
