

## The Last Degree (Volume 1)

The Last Degree is a fictionalized account of how Freemasons and other secret societies set up the world for takeover. Ancient writings foretell a Shining One who emerges as the worlds prophet. A murder of a Most Worshipful mason resembles a secret oath. A cop gets too close to solving the crime. Paranoid preppers go underground, preparing for war. Headlines such as the Norway massacre, meltdown of the European Union, unscrupulous media, animal die-offs, Middle Eastern unrest, and U.S. shrinking power make the plot relevant to present day. This book is an ode to Christians, Birthers, 2012ers, Truthers, preppers, and/or other conspiracy junkies who enjoy Dan Brown, Jesse Ventura, Brad Meltzer, Alex Jones, Jerry Jenkins and Tim LaHaye.
