

## Walking Tall in Babylon: Raising Children to Be Godly and Wise in a Perilous World

Courageous Parenting for Dangerous Times. We live in frightening times, when stories of terrorism and child abductions lead the evening news, and kids regularly experiment with such dangers as drugs, alcohol, and premarital sex, raves and the occult. At such times, it seems to many parents that the world is falling apart. Nothing is more terrifying than sending our children out into a dangerous world. But what can we really do to protect our kids? You Can Lead Your Family Out of Fear and Into Effective, Godly Living. Scripture tells us that centuries ago, Daniel and his friends also faced a hostile world. Yet God provided a way for them to walk tall in Babylon. Not only did God keep them safe, he allowed them to profoundly affect the culture they touched and he can protect and strengthen your kids in the same way.
