

## Watch Me: Dark Obsession, Book 1

The first audiobook in New York Times and USA Today best-selling author Cynthia Edens sexy, new romantic suspense series...Dark Obsession. He was hired to protect her. Watching gorgeous Gwen Hawthorne wasn't a hard job, but it certainly was tempting. Chance Valentine had tried to keep his distance from the sexy socialite for years, but when her father hired him to keep watch over her - as a 24/7 bodyguard - Chance knew his control was about to be pushed to the limit. He never wanted another woman the way he desired her. Hot. Intense. Consuming. Being so close to Gwen, Chance knew that he wouldn't be able to resist her. So he gave in to his need, her need, and he took them both to the edge of a dark and consuming desire. But Chance soon realizes that he isn't the only one watching Gwen. Someone else is out there, a stalker who won't rest until Gwen is destroyed. Every day, every moment...Gwen is in danger. And Chance knows that if he can't unmask the stalker, then he may just lose the only woman he has ever loved. Watch Me.
