

Christlikeness: Committing Ourselves to Be Changed by God (Foundations for Christian Living)

COMMITTING OURSELVES TO CHANGE. Change isn't easy. But change is what being a Christian is all about. When the Holy Spirit enters our lives, He embarks on a process of transforming us into people who think, feel, and act like Jesus Christ. Many of us have misconceptions about how the process works, and consequently, we aren't sure how best to cooperate with it. What is our job, and what is God's? How does repentance work? What purposes do the spiritual disciplines serve? What role does suffering play in the process and how can other people help? This study is designed to help you answer these questions so that you'll be better equipped to cooperate with the change God desires in your life. The FOUNDATIONS FOR CHRISTIAN LIVING series will help you not only learn about God but also grow in your love for Him. With an emphasis on group intimacy and growth, each book in this series will help your group pursue the mystery of God and grow closer to Him, learn to be honest and vulnerable with one another, become courageous in helping one another in need, discover how to live genuinely, design ways to serve God better, and more!
