

When Jesus Said Goodbye: Johns Witness to the Holy Spirit

This contribution by Dr. Frank Carver is the product of fruitful, painstaking research into the intricacies of the Beloved Disciples understanding of the Holy Spirit. He not only surveys what the Fourth Gospel has to say about the Spirit but also provides eminently useful insights into the New Testaments presentation of the Spirit in His relation to Jesus Christ. Carver uncovers the original meaning of Johns theology with confidence and poignancy, while also displaying these truths powerfully to our own generation. When Jesus Said Good-bye goes far in deepening the readers understandings of the intimate workings of the Holy Spirit. He is Christs other Self and as such is how we are to live as followers of Jesus. One cannot read this study thoughtfully and prayerfully without being moved to an increased desire for a great oneness with the Father and with the Son through the life of the Spirit.
