

The Seven Series cracks the code of resolution success. It taps into the depth and breadth of God's truth to help you break free from the grip of mediocrity and step into your journey to extraordinary. There is a reason some people step into extraordinary while others stand just outside for a lifetime. We can have the best intentions and boil over with passionate resolve, but if we lack the habits that promote change, we'll find ourselves in a defeating loop of resolve followed by inevitable failure—only to try it all again. All of that craziness can change, and it can change now! By the time you're done with The Seven Series you'll have a new appreciation for three words: Bury–Renew–Build. And you'll respect the number “30” more than ever. The Seven Series is for you if you are... • Certain you're leaving too much potential on the table. • Rationalizing your mediocrity and willing to get honest about it. • Hearing condemning voices in your head that mock and discourage you. • Spinning out and can't get unstuck no matter how hard you try. • Feeling like life has passed you by but you're willing to give it another shot. • Tired of blaming circumstances and willing to take personal responsibility. • Barely surviving the constant barrage of shame and condemnation. • Willing to have other people wrongly think you're either crazy or too lofty. • Finally ready to chase the dream God has for you—your journey to extraordinary. Extraordinary is just over the rise and across the river. Welcome to your journey.
